The Multi-Protect Plan is designed specifically for buyers of GM vehicles and is backed by the worldwide resources of General Motors. This reference material is intended to outline the protection provided by the Multi-Protect Plan. See your GMC Dealer for specific plan details, pricing, vehicle eligibility guidelines, and more details. Not all products are available in all provinces. Certain conditions, exclusions, and restrictions apply.

Where the products are offered as insurance, the insurer is Motors Insurance Corporation. In certain provinces, regulations classify our products as insurance products, requiring dealerships to have a licensed insurance agent to sell the products.

## DENT PROTECTION

- | Covers the cost to remove unsightly door dings and minor dents without harming your vehicle's factory finish by using a paintless dent repair process
- | Up to \$250 maximum per paintless dent repair incident/repair
- | For up to an aggregate limit of \$2,500 (plus applicable taxes)

### EXCLUSIONS\*

Dents or dings that cannot be repaired by the paintless dent repair process, dents where the paint has been damaged or scuffed paint areas on a dent, repairs that will affect or damage the vehicle's paint or finish, or bumpers.

## KEY PROTECTION

- | Provides protection in the event a key fob is lost or damaged
- | The program pays for repairs, replacement, and reprogramming, up to \$900 per repair visit, subject to an aggregate limit of \$2,500 (plus applicable taxes)

### EXCLUSIONS\*

Replacement of key fobs and replacement key fob batteries covered by a manufacturer or repairer's guarantee, the cost associated with government compliance regulations, or key or remote repair and replacement for non-original manufacturer parts.

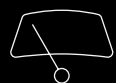

## SEAT PROTECTION

- | Covers the cost of repairs to the upholstered seat(s) in the covered vehicle if ripped, torn, or burned
- | Up to \$300 maximum per incident/repair up to a maximum aggregate limit of \$2,500 (plus applicable taxes)

### EXCLUSIONS\*

Damage caused by material defects or owner's negligence/abuse, damage caused by acids, dyes, bleaches, or corrosives, or damage caused by fire or smoke.

## WINDSHIELD PROTECTION

- | Covers the cost of windshield replacements or repairing chips and cracks in your front windshield caused by road debris
- | Up to \$1,000 per windshield replacement or \$150 per windshield repair. Up to a maximum aggregate limit of \$2,500 (plus applicable taxes).

### EXCLUSIONS\*

Damage to areas other than the front windshield.
